Mr. Philip H. Talbott, President
Chamber of Commerce of the U.S.A.
1615 H Street, N.W.
Washington 6, D. C.

Dear Mr. Talbott:

Thank you for your letter of 5 September 1957.

I have reviewed with interest the statement of "Principles and Practices of College Recruiting." Adherence to the standards stated therein should correct mispractices in this field. Some of the suggestions relating to the furnishing of detailed employment information would be incompatible with the security requirements affecting our recruitment activity; however, we shall employ this statement as a general guide in our activity.

We appreciate the careful study that has gone into the preparation of this material and are sure that it will be helpful to all employers who are engaged in recruitment at the college level.

Sincerely,

Signed

Allen W. Dulles
Director
